Fresh
Ceramics

Aesthetic Designs ◆ Unmatched Quality ◆ Strong Distribution Network

With the people's Reliance, Trust, and Love,
Fresh Ceramics has risen to become the Highest-Selling tiles brand in the country.

Fresh Ceramics commenced its journey **in 2021**, with **State-of-the-art machinery** imported from the USA, Germany, Italy, and China to accommodate a production capacity of **51,000 square meters per day**. Fresh Ceramics boasts the highest capacity and the **Longest Kiln (261 meters) under a single shade** in Bangladesh. It is one of the leading ceramic tile producers in the Bangladeshi market, renowned for producing aesthetic ceramic tiles of top-notch quality.

Fresh Ceramics upholds the promise of ***"A Fresh Start to an Aesthetic Life"*** by maintaining a vast portfolio of tiles that redefine aesthetics. Its product range encompasses wall, floor, and stair ceramic tiles designed for various living spaces, including living rooms, kitchens, bathrooms, lobbies, and outdoors, as well as applications in commercial spaces like offices, hotels, high-traffic areas, and shopping malls, among others. In the country, it is best known for its extensive portfolio of glossy tiles in all the standard and popular sizes. Fresh Ceramics is also the only manufacturer in Bangladesh producing the **Full Line of Double Charge tiles** in all three popular sizes.

Note: The printed colors shown in this brochure may vary from the actual available tile colors. The product pictures have been developed to create as close a depiction of the actual product as possible through modern printing processes. Checking actual product samples for size, color, texture, and surface type before making the final selection is highly recommended.

It should also be noted that variations in the colors or shapes of the actual product may be caused by different lighting conditions and other technical factors.
